

**Anything with a Beat** *Julia Arnold 8-9p [n, a]* Just boopin' around, searching for the best jams with a beat. Mostly alternative, but what is alternative, really?

**Talkin' Tunes** *Aidan Faustina & Klajdi Gjonaj 9-10p* For better or worse, *Talkin' Tunes* is back! The bois play the classics you know and love (or the ones you've never heard of) and chat about the folklore, history, and connections between them.

**Voice Box** *Natalia Glottis 10-11p* In this programme, we explore the wonders of the human voice: singing, talking, blabbering, howling, yammering, lyricizing, theatering, whispering, and more...all for you, dear listener.

**BABEs: The Radio Experience** *Lauren Clamon, Adela Yang, Claire Traweek, Miranda Gong, & Viban Gonzales 11p-12a* Don't just listen to the radio, experience it with the inhabitants of BMF.

**Diamond Hearts Club** *Dylan Lewis 12-1a [a]* Subgenres, wild cards, and rare gems.

## saturday

**88 Rewound** *Alex McNeil or Keith Sawyer 6-8a* Each week *88 Rewound* recreates a radio station survey or countdown from somewhere in the US or beyond, playing the hits (and misses) as they appeared back in the '50s, '60s, '70s, or '80s.

**Lost Highway** *Doug Gesler 8-10a* Modern country sounds for the hillbilly hidden in us all....

**Backwoods** *John Funke 10a-12p* The best in vintage rock 'n' roll, country and western, and rhythm 'n' blues. More songs about Cadillacs and chickens.

**Trunk Full of Pearl** *Zach Church 12-1p [a]* Country music, rock music, and country rock music, much of it from Texas.

**Southern Exposure** *Alexandra Smerekanych 12-1p [a]* Modern country that takes you on a trip down a back road with the windows down.

**The Paradox Box** *Allison 1-2p* Glamorous Indie Rock & Roll is what you need.

**King Ghidorah** *Marianna, Keith, Jeff, Will, or Mully 2-4p* A Saturday afternoon creature quintuple feature of rotating DJs so frightening that they were ostracized from the rest of WMBR's rock shows. Joined together they form the mighty King Ghidorah!

**Aural Fixation** *Sue 4-6p* From the paisley underground, dark attics, and the edge of space—you'll hear fuzzed out guitars, heavy psych, drone, and poppy punk from 50+ years ago to the latest releases.

**James Dean Death Car Experience** *Lisa Death Car 6-8p* Your cat is ignoring you. Do you a) it's a cat, b) IT'S A CAT, c) what part of cat do you not understand, d) grab a handful of treats and lure it into the room where the Death Car is blaring indie pop to show it the added value of paying attention to you?

**Backpacks & Magazines** *Heather D. 8-9p* Post-punk, electro, synthpop, darkwave, coldwave, deathrock, and more. Dance with me to the sound of sirens.

**Cuéntame** *Sahara Villarreal 9-10p* Share your story with the class.

**The Intergalactic Witching Hour with Crood >Boi< and Lorinda** *Anxorla, Bobot, Geoff, Daniel, & David 10-11p* Unaware of reality's paper-thin walls? Become acquainted with a transcendental and planetary group. View the transmittal of information from place to place. Music that skirts the edges of, but does not tear, those paper-thin walls.

**Dangerous Things** *Darriel 11p-12a [a]* Curl up with your rage or fight with your joy as we fill our heads with the sounds of earthy divas, electric nymphs, amazon warriors, and other femme fatales from across genres and around the world. Women, fire, and dangerous things.

**The Lethal List** *Arlesa Hubbard 11p-12a [a]* Chill vibes via a selection of new(ish) electronic/alternative R&B and hip hop, with sprinkles of jazz, funk, and not-so-new R&B jams.

**Mellow Madness** *Preston (PJ) Porter 12a-eternity* Let host PJ Porter set an ambiance of love with the best and sexiest R&B slow jams to get you in the mood for love. Express your feelings with a live dedication. Come aboard with me and enjoy this love affair called *Mellow Madness*. Feel the Heat!!!!
